### CANDIDATE RANKING OF SUMMER 2026 INTERNSHIP OPPORTUNITIES

The ADAH has six internships available in summer 2026. Please rank the internships for which you are applying in order of your interest, with 1 being the most interesting to you. The rankings will be applied if you are a top candidate for multiple internships. In that case, you will be offered the internship you ranked most highly.

**Please note that you are not required to rank internships for which you are not applying. If you are applying for one internship, for instance, simply mark that internship "1" and omit other rankings.**

- Archival Processing Project Internship\*
- Discovery Internship
- Museum Collections Internship
- Museum Services Internship
- Native American Graves Protection and Repatriation Act (NAGPRA) Program Internship
- Research Room Internship

**\* Denotes internships which have additional examination requirements. Upon receipt of your application, the internship supervisor will contact you with more information on the examination process.**
