**CONSENT AGREEMENT**

The Alabama State Board of Public Accountancy, ("Board"), having evidence that Robert Q. Poole (Respondent) is in violation of the Board's *Rules of Professional Conduct* governing the Accounting Profession, specifically, Rule 30-X-6-.03(1)(c) (*Planning and Supervision*) and Rule 30-X-6-.05(1) (*Conduct Discreditable to the Public Accounting Profession*), and Respondent, desiring to avoid the necessity of a formal hearing, does hereby enter into this Consent Agreement. By waiver dated August \_\_\_\_\_, 2016 (attached), Respondent acknowledged his understanding that he had a right to a formal hearing in this matter, and by his signature, knowingly waived such right.

**ALLEGATIONS**

The investigative committee of the Board hereby proffers the following charges and factual allegations in support of this Consent Agreement.

1. Respondent, Robert Q. Poole, is a Certified Public Accountant in the State of Alabama, and was so registered at all times relevant to this complaint.
2. Respondent is the Resident Manager of Worrell, Poole & Company, CPA.
3. Respondent's firm undertook to prepare for O'Neil Transportation 401(k), an audit report for the year ending December 31, 2010, of that company for submission to the United States Department of Labor in compliance with the Employment Retirement Income

Security Act. Respondent's partner, Michael B. Worrell, subsequently prepared and submitted to the Department of Labor documents comprising an audit report intended to be considered as compliance with this act.

4. The audit report submitted was inadequate in that it reflected a lack of planning and supervision required of a certified public accountant and conduct discreditable to the public accounting profession.

5. On May 11, 2015, the Respondent's partner, Mr. Michael B. Worrell, entered into a Settlement Agreement between The Professional Ethics Committee of the American Institute of Certified Public Accountants and the Alabama Society of CPAs and his subsequent acknowledgment that the conclusions contained in the Settlement Agreement are factual, true and correct (attached).

6. On July 11, 2016, the Respondent signed an acknowledgement letter (attached) whereby the Respondent acknowledges that the conclusion contained in the Settlement Agreement against Michael B. Worrell are factual statements and all conclusion contained in the document regarding the EBP audit are true and correct. The conclusions reached in the Settlement Agreement would support a finding that the Respondent violated the Board's *Rules of Professional Conduct* governing the Accounting Profession, specifically, Rule 30-X-6-.03(1)(c) (*Planning and Supervision*), and Rule 30-X-6-.05(1) (*Conduct Discreditable to the Public Accounting Profession*).

## STIPULATIONS

7. The Board has acquired and maintains jurisdiction over Respondent by virtue of the licensing and disciplinary provisions governing the Public Accounting Profession, *Code of Alabama* 1975, § 34-1-1 *et seq.*

8. Respondent has been fully advised of his rights in this matter, including the right to a fair hearing pursuant to the Alabama Administrative Procedure Act, *Code of Alabama* 1975, § 41-22-20, *et seq.* and *Code of Alabama* 1975, § 34-1-1 *et seq.*

9. Respondent understands that by submitting to this Consent Agreement he is waiving his rights as set forth herein, thus enabling the Board to adopt and enter this Consent Agreement without further process.

10. Respondent understands that the terms of this Consent Agreement are subject to adoption or rejection by the Board. It is understood that, in deciding whether to enter into the Consent Agreement, the Board may receive oral and/or written communications from its staff, experts, attorney, or others regarding the allegations set forth above. Such communications shall not disqualify the Board, staff, experts, attorney, or others from participating in this or other matters affecting Respondent, including a hearing, if necessary, on the underlying charges, which provide the basis for this Consent Order.

11. If it is determined by the Board or its staff that Respondent has not fully complied with the terms and conditions of this Consent Agreement, Respondent understands that the Board may file a formal complaint and hold a disciplinary hearing against Respondent on the charges or factual allegations recited herein.

## ORDER

Based upon the above referenced Allegations and Stipulations and Waiver attached hereto, Respondent stipulates that the Board may enter the following disciplinary

order. The Board hereby censures the Respondent. In addition, Respondent agrees to pay within 30 days of the execution of this agreement an administrative fine to the Board by cashier's check or money order in the amount of \$1,000 per violation for a total of \$2,000.
