CASE NO. 05-5

CONSENT ORDER

The Alabama State Board of Public Accountancy (the "Board"), by and through its undersigned counsel, and Mr. Steven H. Barry, CPA ("Respondent") agree to the Stipulation and Findings of Fact set forth below and hereby consent to the entry of this Order, subject to the approval of the Board, without further adjudication of any factual or legal issues which could or may be raised by the filing of an Administrative Complaint before the Board.

STIPULATION AND FINDINGS OF FACT

1. The Board has acquired and maintains jurisdiction over Respondent by virtue of Code of Alabama 1975, § 34-1-1 et seq. (Public Accountancy Act of 2003), and the rules and regulations promulgated thereunder. Respondent acknowledges and herein submits to the jurisdiction of the Board.

2. Respondent understands that he has the right to a fair hearing pursuant to the Alabama Administrative Procedure Act, Code of Alabama 1975 § 41-22-20 et seq., and the Public Accountancy Act of 2003, Code of Alabama 1975 § 34-1-1 et seq.

3. Respondent understands that by submitting to this Consent Order he is waiving his rights as set forth herein, thus enabling the Board to adopt and enter this Consent Order without further process.

4. For purposes of this proceeding between the Board and Respondent, and for no other purpose or proceeding, Respondent admits the truth of the factual allegations made

against him in paragraphs 2, 3 and 4 of the above-styled Summons and Complaint, it being understood and agreed that Respondent did not admit or deny any of the findings in the Rule 102(e) Order issued by the Securities and Exchange Commission which is described in the aforesaid Summons and Complaint. The Summons and Complaint filed in this case is incorporated by reference and is attached as an Exhibit to this Consent Order.

5. Respondent understands that the Stipulation and Findings of Fact herein are subject to adoption or rejection by the Board. It is understood that, in deciding whether to adopt the Stipulation and Findings of Fact, the Board may receive oral or written communications from its staff, experts, attorney, or others. Such communications shall not disqualify the Board, staff, experts, attorney, or others from participating in this or other matters affecting Respondent.

6. It is agreed by all parties and the Board that, should the Board decline to approve this settlement, then this Consent Order and waiver shall become null and void and the Respondent shall have all the rights and privileges under the laws of the State of Alabama and United States of America.

#### ORDER

Based upon the above referenced Stipulation and Findings of Fact, and waiver attached hereto, Respondent stipulates that the Board may enter the following disciplinary order:

A. Respondent's certificate and permit to practice public accountancy as a Certified Public Accountant (CPA) in this State are suspended for a period of two (2) years from the date this Order is approved by the Board; however, said suspension is stayed.

B. As a condition of the stay of suspension, Respondent shall be on probation, shall comply with the terms of this Order, and shall violate no accountancy statutes or rules for two (2) years from the date this Order is approved by the Board. In the event that Respondent violates this condition, the active suspension may be imposed in addition to any discipline regarding the new violation.

C. Respondent will complete the AICPA continuing professional education courses entitled "Auditing for Internal Fraud" and "Professional Ethics: The AICPA's Comprehensive Course." Respondent shall submit to the Board a Certificate of Completion for each course by December 31, 2005.

D. Respondent is ordered to pay an administrative fine in the amount of two thousand dollars (\$2,000.00). Payment of the administrative fine shall be made payable to the Alabama State Board of Public Accountancy in the form of a cashier's check or money order.
